1. Introduction and Purpose

At The Grammar Junior School, we take pride in presenting a unified and professional image that reflects our school's values and high standards. The school uniform promotes equality, belonging, and respect among students, while also encouraging a sense of personal responsibility and discipline. By wearing the uniform correctly, students demonstrate pride in themselves and in being members of The Grammar Junior School community.

2. General Expectations

Students are expected to arriveat school each day wearing the complete and correct school uniform. Uniforms should be clean, well-fitted, and neatly presented at all times. All items of clothing and personal belongings should be clearly labelled with the student's name. Parents and guardians are kindly asked to ensure their children attend school dressed according to the school's uniform standards and to support the school in maintaining a consistent appearance among all students.
